- 2.1 As a charity and company limited by guarantee, the MAT is governed by a board of Directors who are responsible for, and oversee, the management and administration of

the MAT and the academies run by the MAT. The Academy is one of the academies overseen and managed by the MAT.

2.2 The Directors are accountable to external government agencies including the Charity Commission and the Department for Education (including any successor bodies) for the quality of the education provided by the MAT and they are required to have systems in place through which they can assure themselves of quality, safety and good practice.

2.3 As the Academy is a Church of England academy, designated as such, the Directors are also accountable to the DBE under the provisions of the Diocesan Boards of Education Measure 2021, and to the Trustees, to ensure that the Academy is conducted as a Church of England school.

2.4 The management of the business of the Academy shall be delegated by the Directors to the AC, a committee of the Directors established by this Scheme, according to its Operating Level.

2.5 In addition to clause 2.4, the role of the AC is to:

2.5.1 maintain an overview and keep the Directors properly informed of the conduct and progress of the Academy;

2.5.2 act as a critical friend to the Head Teacher and staff of the Academy;

2.5.3 be accountable to the Directors, parents and the wider community for the AC's actions and the Academy's overall performance.

2.6 This Scheme has been put in place by the Directors from the Effective Date in accordance with the provisions of the Articles and it should be read in conjunction with those Articles as well as with:

2.6.1 the Directors' strategic plans and policies for the Academy; and

2.6.2 the Budget.

3. VISION AND MISSION STATEMENT

3.1 The vision of the MAT is as follows:

'Every child matters and no child is ever left behind'

"Let the little children come to me and do not stop them for it is to such as these that the Kingdom of God belongs"

- At the heart of our vision is our commitment to ensure all of our schools are places where children and young people develop and thrive academically, socially, culturally and spiritually. The drive for excellence and effectiveness in our schools is paramount, but not merely because the Government says so. The enabling of every child to flourish in their potential as a child of God is a sign and expression of the Kingdom and is at the heart of the Church's distinctive mission.

3.2 The mission statement of the MAT is as follows:

- The MAT's Mission is to support and encourage the work of academies in our MAT, promoting Christian distinctiveness through the high quality education of children and young people across the MAT whilst enabling and actively encouraging each school to retain and develop its own unique identity within the local community it serves.

3.3 The Core Values of the MAT are:-

- To ensure that our academies are centres of excellence with a focus on academic outcomes and the nurture of resilience & respect as set out in the Ofsted Inspection Handbook.
- To promote high quality professional development and encourage mutual support in the pursuit of effective teaching and good pupil progress.
- To develop innovative and aspirational thinking building on our long educational heritage and to make use of the latest research in pedagogy and child development.
- To foster, maintain and celebrate Christian distinctiveness in our schools.
- To ensure our academies have a particular vocation to the least advantaged, enabling them through education to change their life opportunities.

3.4 The Core Purpose of the MAT is:-

- The Durham and Newcastle Diocesan Learning Trust will be a strong option within the Diocese of Durham and the Diocese of Newcastle for any church school who wishes to become an academy and, over time, will act as the lead sponsor for any Church schools within the Dioceses which are being directed to become sponsored academies by the Department for Education. It will act as a vehicle for enabling the sharing of best practice and economies of scale achievable across a group of academies.

- Our school improvement approach seeks to build strong capacity to improve from within and a culture that looks outward and never stops trying to be better. Schools which join our MAT are able to help shape our work and benefit both from the support they receive and the opportunities for school improvement they are able to offer. The behaviors we expect to see are:
 - We encourage strong and capable system leaders
 - We enable our people to excel to provide outstanding education
 - We build trust and respect across our academies
 - Developing long term relationships within and across communities in which there is an opportunity for continuous improvement.

3.5 The core objects of the MAT are:-

a) to advance for the public benefit education in the United Kingdom by establishing, maintaining, carrying on, managing and developing academies which shall offer a broad and balanced curriculum and which shall include:-

- Church of England Schools designated as such which shall be conducted in accordance with the principles, practices and tenets of the Church of England both generally and in particular in relation to arranging for religious education and daily acts of worship, and having regard to any advice issued by the DBE
- other Academies whether with or without a designated religious character; but in relation to each of the Academies to recognise and support their individual ethos, whether or not designated Church of England

b) To promote for the benefit of the inhabitants of the areas which the Academies are situated the provision of facilities for recreation or other leisure time occupation of individuals who have need for such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the said inhabitants subject at all times to any restrictions contained within any trusts applying to land occupied by the Company.
